

THE LOGICAL SONG

Supertramp

Lead Singer: UK. Band: UK & US

When I was young,
it seemed that life was so wonderful,
a miracle, oh it was beautiful, magical.
All the birds in the trees, they'd be singing so happily,
joyfully, oh playfully watching me.
Then they send me away to teach me how to be sensible,
logical, oh responsible, practical.
And they showed me a world (where) I could be so dependable,
clinical, oh intellectual, cynical.

There are times when all the world's asleep,
the questions run too deep
for such a simple man.
Won't you please, please tell me what we've learned
I know it sounds absurd
Please tell me who I am.

And so, watch what you say (or) they'll be calling you radical,
a liberal, oh fanatical, criminal.
Won't you sign up your name, we'd like to feel you're acceptable,
respectable, oh presentable, a vegetable!
Shake it, shake it, shake it, shake it, yeah!

Then at night, when all the world's asleep,
the questions run so deep
for such a simple man.
Won't you please, (won't you tell me?)
please tell me what we've learned
(Can you hear me?)
I know it sounds absurd
(Can you help me?)
Please tell me who I am...

Mr. John Hallywell
I'm feeling so logical
Bloody marvelous!
